'100 Year Old Vines' Shiraz Grenache Mourvèdre 2014

Heritage

Château Tanunda was established in 1890 and is the site of some of the first vines planted in the Barossa in the 1840s as well as the Valley's first winery. The 'Old Vines' series is all about showcasing the significant history and special wine characteristics and of a selection of old vine vineyards for which the Barossa valley is world famous.

Vineyard

The Barossa is home to some of the world's oldest ungrafted Shiraz and Grenache vines and the grapes for this wine come from just three small vineyards in the Nuriootpa, Greenock and Vine Vale sub-regions of the Barossa. The low-yielding 'Centenarian' vines, noted for their intensity of flavor, were planted more than a century ago around the time construction of the Château itself began.

Winemaking

The grapes are destemmed, but not crushed, and spends seven days in a small open stainless steel fermenters. We gently hand plunge and pump-over the must several times per day during fermentation for a gentle extraction of aromas, colour and tannins. Upon completion of fermentation, the wines are gently basket-pressed before naturally completing malolactic fermentation and 24 months maturation in a combination of new and seasoned French oak. Prior to bottling, the components are expertly blended giving a breakdown of 51% Shiraz, 31% Grenache and 18% Mourvedre.

Production: 1700 bottles.

Notes and Reviews

Vibrant aromas of dark cherry, blackberry, pan jus and star anise all unfold to reveal an impressive array of underlying fruit flavours. Dense, succulent dark fruits with layers of licorice, plum, black olive, earth, white pepper and Asian spice. These complex yet elegant flavours are all neatly interwoven with a perfect balance of acidity and supple, silky tannin
